Subject: Cobalt Franchise Agreement with Enbridge Gas

The Ontario Energy Board has issued Notices of Application (English and French) related to our application to approve the renewal of the Franchise Agreement between Enbridge Gas and the Town of Cobalt. I sent the notices and a copy of the application to you by courier yesterday.

The OEB has since updated the Notices by inserting a date for when requests for intervenor status must be submitted (April 12, 2021). I have attached the updated Notices here for your reference.

2021 03 23 ··· Notice of Hearin... 2021 03 23 ··· Notice of Hearin...

The updated Notices that will be published in the New Liskeard Timiskaming Speaker on Wednesday, March 31, 2021.
