Using the information Hydro sent to me, the cost of electricity for my seasonal residence at [redacted] Whitewater region, would be 2.5 times what I had paid the previous year and twice what I pay in my permanent residence. This seems ridiculous for a property that can only be used for 6 months of the year. Premier Ford says he is cracking down on anyone gouging, and if this isn't gouging, I don't know what is. We are senior citizens on a fixed income.
