Dear Ms Walli:

Re: Electricity Transmission Infrastructure: The East-West Tie Line Board File No: EB-2011-0140

The Central Corridor Energy Group (14+ FN Communities) is writing in reply of the Board's letter of August 22, 2011, which invited participation in the transmission designation process for the East- West Tie Line project.

Our Group wishes to register as an "observer" to this proceeding. This process is of interest to our Project Team as we are currently developing a transmission project in Northwestern Ontario. Our Group's intent is to simply monitor the proceedings.

Please forward all communication with respect to this proceeding to the following contacts:
