Issues:

AMPCO members are customers of the Applicant and are impacted by the application.
The Utility's last cost of service application, EB-2014-0073 was for a 2015 test year. AMPCO was granted party status in that proceeding. AMPCO has an interest in all issues included in the standard issues list for cost-based applications. Festival Hydro has applied for approval to change the rates of two service call charges and to use gross load billing for Retail Transmission Rates – Network and Connection charges for customers who have load displacement generation. AMPCO seeks to explore the potential impact of this proposal.

Policy Interests:
