Dear Mr. Zebrowski:

**Re: Hydro One Networks Inc
Transmission Revenue Requirements and Rate Changes
Board File No. EB-2008-0272
Cost Award Eligibility**

The Board has received your January 23, 2009 request for eligibility for funding for participation in the proceeding in regard to the Association of Major Power Consumers (AMPCO) evidence submitted on January 14, 2009.

The Board has determined that the Electricity Distributors Association is eligible to apply for an award of costs under the Board's Practice Direction on Cost Awards, but only in respect of costs related to the evidence submitted by AMPCO in the proceeding.

The granting of eligibility for cost awards is subject to Hydro One's right to object to your request within 10 days of the issue of this letter.

The Board expects intervenors to focus their participation in this proceeding on issues that are in scope and also expects intervenors to coordinate their efforts and avoid duplication to the maximum extent possible.

Yours truly,
