LETTER OF COMMENT

Comments:

The email that I received said that there will be a change in the natural gas distribution rate. However, it is not defined in the same way on my bill and it is not defined specially per cubic unit of gas. What is given is an estimate of an annual increase of your bill. Tiis could fall under any title of the bill ... delivery, gas supply charge, rate adjustment, ... It is unclear.

Name: Eleanor Roswalka

Do you reside in the impacted service area?: Yes
