-- Name --
Mahbub Chowdhury

-- Do you reside in the impacted service area? -- Yes

-- Comments --
I, along with many other Guelph residents, disapprove/object/oppose this proposal to increase electricity rates as per the notice in file number EB-2025-0252. These consistent increases are above and beyond affordability levels of the residents that are being victimized by corporations that continue to capitalize and send residents to scarp up every penny just to keep their lights on. This is inhumane and needs to stop.
