AMPCO Interrogatory #131

Interrogatory

Reference: Ex D2 T2 S10 Appendix 2k

In December 2004, Kinectrics Inc. completed a study "Strategic Option Study or OPG Heavy Water Storage and Drum Handling." In April 2006, Kinectrics Inc. was contracted by this Project to further investigate the issues at Darlington and Pickering and to develop options that would address OPG's D2O management needs.

Please provide copies of all reports prepared by Kinectrics Inc. related to D2O storage.

Response

Please see Attachments 1 to 7, for a copy of the reports prepared by Kinectrics Inc. related to D2O Storage Project. Additionally, please see Ex. L-D2-02-AMPCO-137, Attachments 107 and 116, for two additional reports prepared by Kinectrics Inc. related to D2O Storage Project.
