Dear Ms Walli,

**Hydro One Networks Inc. ("Hydro One")  
Transmission Rate Case  
Board File No.: EB-2008-0272  
Our File No.: 339583-000027**

The purpose of this letter is to inform the Board that I have completed the Written Argument on behalf of Canadian Manufacturers & Exporters ("CME") and have forwarded it electronically to counsel and representatives of Hydro One.

Before I proceed to file the document on the public record, I wanted Hydro One to review it to confirm there is nothing confidential in the submission which should be redacted from the document we file on the public record.

I expect to be able to complete the filing of this document on the public record tomorrow. In the meantime, I will distribute it to those parties in the proceedings who signed the Confidentiality Undertaking.

Please let me know if the Board has any concerns with these arrangements.

Yours very truly,

Peter C.P. Thompson, Q.C.
