ONTARIO ENERGY BOARD NOTICE TO CUSTOMERS OF CANADIAN NIAGARA POWER INC.

Canadian Niagara Power Inc. has applied to raise its electricity distribution rates and other charges.

Learn more. Have your say.

Canadian Niagara Power Inc. has applied to the Ontario Energy Board to raise its electricity distribution rates effective January 1, 2022. If the application is approved as filed, a typical residential customer and a typical general service customer of Canadian Niagara Power Inc. would see the following increase.

Residential 750 kWh	**$4.50 per month**
General Service less than 50kW (2,000kWh)	**$5.33 per month**

Other customers, including businesses, may also be affected.

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Canadian Niagara Power's application. During this hearing, which could be an oral or written hearing, we will question Canadian Niagara Power on its case for a rate increase. We will also hear questions and arguments from individuals that have registered to participate (called intervenors) in the OEB's hearing. At the end of this hearing, the OEB will decide what, if any, rate increase will be allowed.

Distributors such as Canadian Niagara Power typically apply for a full review of their rates every five years. Any rate changes for the years in between are made by applying an OEB-approved formula which is tied to inflation and other factors intended to promote efficiency. You may not get notice of future rate changes made by applying the formula.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process.

- You can review Canadian Niagara Power's application on the OEB's website now
- You can file a letter with your comments, which will be considered during the hearing
- You can become an intervenor. As an intervenor, you can ask questions about Canadian Niagara Power's application and make arguments on whether the OEB should approve Canadian Niagara Power's request. Apply by **August 9, 2021** or the hearing will go ahead without you and you will not receive any further notice of the proceeding
- At the end of the process, you can review the OEB's decision and its reasons on our website

LEARN MORE

These proposed charges relate to Canadian Niagara Power's distribution services. They make up part of the Delivery line - one of the line items on your bill. Our file number for this case is **EB-2021-0011.** To learn more about this hearing, find instructions on how to file a letter with your comments or become an intervenor, or to access any document related to this case, please select the file number **EB-2021-0011** from the list on the OEB website: **www.oeb.ca/notice.** You can also phone our Public Information Centre at 1-877-632-2727 with any questions.

ORAL VS. WRITTEN HEARINGS

There are two types of OEB hearings – oral and written. Canadian Niagara Power has applied for a written hearing. PRIVACY

If you write a letter of comment, your name and the content of your letter will be put on the public record and the OEB website. However, your personal telephone number, home address and email address will be removed. If you are a business, all your information will remain public. Ontario Energy Board | Commission de l'énergie de l'Ontario

Canadian Niagara Power Inc. a déposé une demande d'augmentation de ses tarifs de distribution d'électricité et de ses autres frais.

Renseignez-vous. Donnez votre avis.

Canadian Niagara Power Inc. a déposé une requête auprès de la Commission de l'énergie de l'Ontario en vue d'obtenir une augmentation de ses tarifs de distribution d'électricité entrant en vigueur le 1er janvier 2022. Si la requête est approuvée telle quelle, la facture d'un client résidentiel type et d'un client de services généraux type de Canadian Niagara Power Inc. serait modifiée de la manière suivante :

Les autres clients, y compris les entreprises, pourraient également être concernés.

LA COMMISSION DE L'ÉNERGIE DE L'ONTARIO TIENDRA UNE AUDIENCE PUBLIQUE

La Commission de l'énergie de l'Ontario (CEO) tiendra une audience publique afin d'étudier la demande de Canadian Niagara Power. Durant cette audience, qui peut être une audience orale ou écrite, nous poserons des questions à Canadian Niagara Power à propos de sa demande d'augmentation de tarifs. Nous entendrons également les questions et arguments des personnes qui se sont inscrites pour participer (appelées « intervenants ») à l'audience de la CEO. À l'issue de cette audience, la CEO décidera du bien-fondé d'une augmentation des tarifs et, le cas échéant, du montant du changement tarifaire à venir.

Les distributeurs et notamment Canadian Niagara Power demandent généralement une révision de leurs tarifs tous les cinq ans. Toute modification des tarifs entre ces intervalles s'effectue en appliquant une formule liée à une inflation et à d'autres facteurs cherchant à favoriser l'efficacité et qui est approuvée par la CEO. Vous ne serez peut-être pas informé des futurs tarifs modifiés par l'application de cette formule.

La CEO est une agence publique indépendante et impartiale. Les décisions que nous prenons visent à servir au mieux l'intérêt public. Notre objectif est d'encourager le développement d'un secteur de l'énergie efficace et financièrement viable, afin d'offrir des services énergétiques fiables à un prix raisonnable.

RENSEIGNEZ-VOUS ET DONNEZ VOTRE AVIS

Vous avez le droit d'être informé au sujet de cette requête et de participer au processus.

- Vous pouvez examiner la demande de Canadian Niagara Power sur le site Web de la CEO dès maintenant.
- Vous pouvez déposer une lettre de commentaires qui sera prise en compte au cours de l'audience.
- Vous pouvez participer à titre d'intervenant. En tant qu'intervenant, vous pouvez poser des questions sur la demande de Canadian Niagara Power et présenter les raisons pour lesquelles la CEO devrait approuver la demande de Canadian Niagara Power. Inscrivez-vous avant le **9 août 2021,** faute de quoi l'audience aura lieu sans votre participation et vous ne recevrez plus d'avis dans le cadre de la présente affaire
- Vous pourrez consulter la décision rendue par la CEO à l'issue de la procédure ainsi que les motifs de sa décision sur notre site Web.

EN SAVOIR PLUS

Les tarifs proposés sont relatifs aux services de distribution de Canadian Niagara Power. Ils sont inscrits à la ligne « livraison » de votre facture d'électricité. Le numéro de référence pour ce dossier est **EB-2021-0011.** Pour obtenir de plus amples renseignements sur cette audience, sur les démarches à suivre pour déposer une lettre, participer en tant qu'intervenant ou pour consulter les documents relatifs à cette affaire, veuillez sélectionner le numéro de dossier **EB-2021-0011** dans la liste sur le site Web de la CEO : **https://www.oeb.ca/fr/participez/applications/requetes-tarifaires-en-cours.** Pour toute question, vous pouvez également communiquer avec notre centre d'information du public au 1 877 632-2727.

AUDIENCES ORALES OU AUDIENCES ÉCRITES

Il existe deux types d'audiences à la CEO : les audiences orales et les audiences écrites. Canadian Niagara Power a demandé une audience écrite. La CEO décidera ultérieurement de traiter l'affaire par voie d'audience orale ou écrite. Si vous estimez qu'avoir recours à une audience orale serait nécessaire, vous pouvez écrire à la CEO pour lui présenter vos arguments d'ici le **9 août 2021.**

PROTECTION DES RENSEIGNEMENTS PERSONNELS

Si vous écrivez une lettre de commentaires, votre nom et le contenu de cette lettre seront ajoutés au dossier public et au site Web de la CEO.
