Dear Mr. MacDonald:

**Re: Hydro One Networks Inc. – 2009 and 2010 Electricity Transmission Rates
Application - Board File Number EB-2008-0272
Ontario Uniform Transmission Rate Order**

The Board on June 30, 2009 issued its Revenue Requirement and Charge Determinant Order Arising from the EB-2008-0272 Decision with Reasons (the "Order"). The Order mistakenly did not include the complete Transmission Rate Schedules document for the Uniform Transmission Rate Order, the table of Revenue Allocators, and the effective date for the Wholesale Meter Service and Exit Fee Schedule (exhibit 5).

Pursuant to its powers under Rule 43.02 of the Rules of Practice and Procedure, the Board hereby amends the Order to include the complete Transmission Rate Schedules (now Appendix B) and the table of Revenue Allocators (now Appendix C), and the revised Appendix A exhibit 5 Wholesale Meter Service and Exit Fee Schedule with the effective date set to July 1, 2009. The data used to create the Transmission Rate Schedules and the table of Revenue Allocators is taken directly from the Order and the Board decision and there is no material change.

A revised copy of the complete Order, including the new Appendices B and C and the revised Exhibit 5 to appendix A is attached to this letter.

Yours truly,

Original Signed By

John Pickernell
