NOTICE OF AN APPLICATION

The Independent Electricity System Operator, in its capacity as the Smart Metering Entity, has applied for approval to provide access to de-identified smart metering data to third parties that are non-governmental entities.

The Independent Electricity System Operator (IESO), in its capacity as the Smart Metering Entity (SME) has applied to the Ontario Energy Board (OEB) under sections 74 and 78 of the *Ontario Energy Board Act, 1998* for approval to:

- Charge a fee of $145.00 per hour to provide third party access to de-identified SME data to Canadian-Status Non-Governmental Entities, and to other entities when such access is required to support government or OEB directed initiatives and activities
- Amend section 6.1 of the SME Licence ES-2021-0191 to allow for non-discriminatory access to smart metering data on appropriate terms and conditions related to the metering of electricity conveyed into a distributor's distribution system

You can view the application by visiting **www.oeb.ca/notice** and using file number **EB-2025-0272**.

The IESO has requested that the application be decided without a hearing. If you believe a hearing is needed, you can request one by filing a letter with the OEB no later than **December 19, 2025**. You should indicate whether you have a preference for the hearing to be oral, electronic or written. If you do not file a letter by the due date, you will not receive any further notice in the event the OEB proceeds with a hearing. If you submit a letter, your name and the content of your letter will be put on the public record and the OEB website.
