Issues:

The OEB has consolidated this proceeding focused on the application made by ERTH Corporation to acquire Tillsonburg Hydro Inc. with the hearing of a separate application made by ERTH Corporation to acquire Westario Power Inc.(file number EB-2026-0137). Pollution Probe represents a consumer and policy interest related to these applications being heard in a consolidated manner. Pollution Probe intends to focus on consumer and community impacts related to the proposed acquisitions including rate impacts, distribution system plans, community energy planning and related policy issues.

Policy Interests:

Please see above.

Hearings:

Pollution Probe supports the request for a written hearing format.

Evidence:

Pollution Probe does not intend to commission expert evidence at this time. However, Pollution Probe may provide relevant materials to the OEB during the proceeding. No specific approvals are required to enable this approach.

Coordination with Other Intervenors:

Pollution Probe has been an active and valuable participant in OEB proceedings and will continue to coordinate its activities with impacted consumers, intervenors and other parties as appropriate.

Cost Awards:

Pollution Probe respectfully requests your acceptance of this intervenor request and confirmation that it will be eligible for its costs. Pollution Probe is a not-for-profit charitable organization. We receive individual donations as well as funding for consumer and research projects. Without the prospect of an award of costs, Pollution Probe's ability to participate in this proceeding would not be possible.
