Attention: Ms. Kirsten Walli, Board Secretary

**Re: Yellow Falls Power Limited Partnership (YFPLP), EB-2009-0120
Requesting Clarification of Deadlines**

Dear Ms. Walli:

Your letter of August 20, 2009 states:

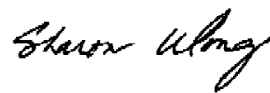

The Board does not intend to review Procedural Order No. 1. However, the Board has determined that the proposition raised in paragraph 12 of Wabun Tribal Council's August 13, 2009 letter is an issue on which parties may make argument at the conclusion of the evidentiary portion of the proceeding. In this respect, Wabun Tribal Ontario Energy Board Council will be permitted to file any evidence which it wishes to rely upon for purposes of its argument on this issue. The filing deadlines established in Procedural Order No. 2 remain in effect.

I am writing to request clarification on the following points:

1. Please confirm that "the conclusion of the evidentiary portion of the proceeding" will occur on September 11, 2009 upon filing of WTC's answers to Interrogatories.
2. Please advise as to whether the Board expects WTC to file its argument with respect to paragraph 12 of its August 13, 2009 letter on the same date that it files its answers to interrogatories. If

so, the Applicant requests that it be given 10 days from the delivery of WTC's argument to deliver it's responding argument.

Yours truly,

Sharon Wong
