Dear Ms. Wong:

**Re: Yellow Falls Power Limited Partnership
Application for Leave to Construct a Transmission Line
Board File No. EB-2009-0120**

Thank you for your correspondence dated August 20, 2009.

The filing by the Wabun Tribal Council ("WTC") of its interrogatory responses on September 11, 2009 will not necessarily mark the end of the evidentiary portion of this hearing. As the Board indicated in its letter dated August 6, 2009, the Board will determine after the filing of WTC's written evidence if an oral hearing is warranted.

The Board does not expect WTC to file its final argument on any issues with its response to interrogatories. Once the evidentiary portion of the hearing is completed the Board will make provision for final argument. As the applicant, Yellow Falls Power Limited Partnership will have the opportunity to present reply argument.

Yours truly,
