Subject: EB-2025-0252 - Alectra Utilities 2027-2031 - OAPPA Technical Conference Time Estimate

Dear Mr. Murray,

We are the consultants for the Ontario Association of Physical Plant Administrators, OAPPA, in this proceeding. Apologies for the unintended lateness, pursuant to Procedural Order # 1 in providing estimates of time needed by OAPPA for the Technical Conference. Unfortunately, we had an extended power outage in our offices this afternoon which has delayed our submission; in fairness to the Applicant, the outage did not occur in their distribution territory.

Below is our preliminary estimate of the time needed. These estimates are subject to change, as we are continuing to review the Interrogatory responses and may necessarily adapt our time, during the Conference, as answers are provided to other intervenor questions.

Panel	Area of Focus	Time
1	Scorecard Performance	10 minutes
4	Revenue Requirement, Cost Allocation, Rate Design, Specific Service Charges	30 minutes

Yours truly,

Scott
