Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
P.O. Box 2319
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

Re: Export Transmission Service Charge Review

Please find enclosed ten (10) copies of the Independent Electricity System Operator (the "IESO") final report to the Ontario Energy Board on the findings and the IESO's recommendation for an appropriate Export Transmission Service charge for Ontario. This report is the culmination of a comprehensive undertaking involving broad discussions with stakeholder groups and comprehensive quantitative and qualitative analysis and assessment.

Yours truly,
