2. (h) Please describe the applicant's current or intended line of business and business activities.

Weyerhaeuser Company Limited operates the Kenora TimberStrand® manufacturing facility in Kenora, Ontario. The facility manufactures engineered wood products, specifically laminated strand lumber (LSL) marketed under the TimberStrand® brand, for sale to residential and commercial construction markets. The facility utilizes wood fibre and related manufacturing processes to produce engineered wood products and operates as an industrial manufacturing business.

In support of its manufacturing operations, Weyerhaeuser Company Limited participates in Ontario electricity markets and maintains an Electricity Wholesaler Licence to purchase and sell electricity and/or related ancillary services as permitted under the Ontario Energy Board Act and applicable market rules. The company does not operate as an electricity retailer and the electricity wholesale activities are ancillary to its primary manufacturing business.
