Dear Ms. Walli:

**Re: Hydro One Networks Inc. – 2009-2010 Transmission Revenue Requirement Supplementary Evidence
Board File: EB-2008-0272**

As Counsel for the Vulnerable Energy Consumers Coalition (VECC), I am writing in response to Procedural Order No. 6 which directed intervenors and Board Staff to advise the Board on or before October 13, 2009 if they intended to file evidence in the above proceeding and to indicate their preference for an oral versus written proceeding.

VECC does not intend to file evidence in the above proceeding. With respect to the type of hearing that should be held, VECC does not have a strong preference. Should the Board decide to proceed by way of an oral hearing, VECC would use the opportunity to clarify some of the information provided to date regarding the in-service dates of new renewable generation and the North-South transfer capability.

If there are any questions or clarification required please contact either Bill Harper (416-348-0193) or myself (416-767-1666).

Yours truly,

Michael Buonaguro
Counsel for VECC
