Ontario Energy Board | Commission de l'énergie de l'Ontario

EB-2025-0297

Ontario Power Generation Inc. and DNNP LP

Application for payment amounts for the period from January 1, 2027 to December 31, 2031

PROCEDURAL ORDER NO. 9

OCTOBER 9, 2026

In accordance with Procedural Order No. 2, a settlement conference was convened on June 29, 2026. The Applicants filed five settlement progress letters between July 8 and September 29. On October 5, 2026, the Applicants filed a settlement proposal with the OEB, indicating that complete settlement had been reached between parties on all issues except two partially settled issues. The Applicants proposed that the two remaining issues be resolved through a written hearing.

The OEB is scheduling a date for OEB staff to file a submission on the settlement proposal and a presentation day for the settlement proposal.

The OEB plans to issue a written decision on the settlement proposal. If the OEB approves the settlement proposal, it will schedule a written hearing for the remaining issues. If the OEB does not approve the settlement proposal, it will advise on further procedural steps.

The OEB asks the Applicants to prepare a presentation to summarize the key components as indicated in Sections 2 and 3 of the settlement, to highlight inter-related aspects, and to file it in advance. As one objective of the presentation day is to allow for OEB panel questions, the Applicants should have representatives available in person to answer questions regarding the settlement. Given the explicit request that the OEB consider and accept the settlement as a package, parties to the settlement are encouraged to attend the presentation day, which will proceed in a hybrid format.

It is necessary to make provision for the following matters related to this proceeding.

THE ONTARIO ENERGY BOARD ORDERS THAT:

1. Any submission from OEB staff on the settlement proposal shall be filed with the OEB and served on all parties by **October 14, 2026**.

2. The Applicants shall file with the OEB and serve on all parties the material to be used at the presentation day by **October 23, 2026**.

3. A transcribed, hybrid settlement proposal presentation day, as described above will be held on **October 30, 2026**, in the OEB's hearing room at 2300 Yonge Street, 25th floor, Toronto, starting at 10:00 am. The Applicants' representatives should appear in person. If there is a reason that a representative cannot appear in person, the Applicants may request permission from the OEB for the representative to appear virtually.

DATED at Toronto, **October 9, 2026**
