-- Name --
Lee Bowman

-- Do you reside in the impacted service area? --
Yes

-- Comments --
The nickel and diming has to stop. Everything is insanely expensive and only getting worse, wages are not keeping up. Do you want people left in the dark, choosing between groceries and electriciy? I guess it won't matter if we can't even turn our fridge on to keep things cold, or our oven to cook. VEHEMENTLY AGAINST THIS INCREASE. Not that it matters, they'll do it anyway.
