-- Name --
Nicole Adams

-- Do you reside in the impacted service area? --
Yes

-- Comments --
I am seeing so much hardship, including myself, and lots of people experiencing living "pay to pay". This feels like a slap in the face. I myself am in arrears with my hydro bill because I fall in to that middle class that deserves no assistance. I shouldn't even feel like I need assistance because I have a decent job. This tells me that your rates are already absurd and an increase will only serve to put more people in hardship.
