-- Name --
Felipe Covre

-- Do you reside in the impacted service area? --
Yes

-- Comments --
Last November, we had a steep hike in hydro rates. If we consider tiered rates, for example, the increase was nearly 29%, as reported in this article: https://lfpress.com/news/ontarios-new-electricity-rates-kick-in-nov-1-heres-what-changes/

I have a hard time understanding why we would need another large increase, especially considering we recently had a hike.
