-- Name --
Heather Jack

-- Do you reside in the impacted service area? --
Yes

-- Comments --
Hello,

Londoners are facing a cost of living crisis. I finally was able to purchase a home this year and the cost of utilities is causing a huge strain on me. Please be aware Londoners cannot afford another increase. This is getting out of hand. Energy and utility companies profits are astronomical and putting that on the consumer to keep earning more is unfair and unjust
