RE: Tillsonburg Hydro Inc. (THI) 2027 Price Cap IR Application, EB-2026-0072

Tillsonburg Hydro has decided to withdraw its request for the disposition of Accounts 1588 and 1589. After the expected adjustments, we will no longer meet the threshold test to dispose of Group 1 account balances. We are continuing our reconciliation of Accounts 1588 and 1589.
