DECISION AND ORDER

On September 14 2026, 1001695198 Ontario Limited (1001695198 Ontario) filed a complete application with the Ontario Energy Board (OEB) under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for an electricity generation licence.

This Decision and Order is being issued under delegated authority without a hearing pursuant to section 6(4) of the OEB Act.

The applicant stated that, Soave Hydroponics Company (Soave Hydroponics) and 1001695198 Ontario have entered into a transaction to sell the Kingsville Tri-Gen Facility (subject facility), located at 1400 Road 3 East, Kingsville, Ontario, currently owned and operated by Soave Hydroponics under the authority of its electricity generation licence (EG-2006-0194). The transaction is scheduled to close on October 30, 2026.

1001695198 Ontario will be both the owner and operator of the subject facility, pending completion of the sale. The applicant intends to continue all current business activities at the subject facility. Thus, 1001695198 Ontario has filed an application for an electricity generation licence.

The issuance of the electricity generation licence will not materially affect the operation of the subject facility, and 1001695198 Ontario has demonstrated that it has sufficient financial capacity and access to technical capacity to operate it.

The OEB finds that it is in the public interest to grant the application and issue an electricity generation licence to 1001695198 Ontario. However, as the sale of the subject facility has not yet been completed, the OEB’s approval in this Decision and Order shall not take effect until 1001695198 Ontario files written confirmation with the OEB of the closing of the transaction and Soave Hydroponics files a written request to cancel its electricity generation licence. The OEB will cancel the licence of Soave Hydroponics at the time that 1001695198 Ontario is issued an electricity generation licence.

IT IS ORDERED THAT:

1. Subject to paragraph 2 below, the application by 1001695198 Ontario Limited for an electricity generation licence is granted.

2. The grant of the electricity generation licence to 1001695198 Ontario Limited shall not take effect until 1001695198 Ontario Limited advises the OEB, in writing, that the transaction described in its application, and summarized in the Decision and Order, has closed, and a written request is received from Soave Hydroponics Company to cancel its electricity generation licence (EG-2006-0194).
