Dear Mr. Murray:

Re: Oshawa PUC Networks Inc. (Oshawa Power)
Application for 2027 Electricity Distribution Rates
Request for Extension of Time to File Incremental Capital Module Application

Oshawa Power previously advised that the Incremental Capital Module (ICM) portion of the application, which relates to its new consolidated facility, would be filed on or before October 30, 2026.

As Phase 2 of this application is in abeyance following the OEB's bifurcation of the proceeding, and Oshawa Power requires additional time to finalize its evidence, Oshawa Power respectfully requests an extension of time, to November 6, 2026, to file its ICM application for the new consolidated facility.

Sincerely,

Valerie Bennett
