Dear Ms. Walli:

**RE: 2010 IRM3 ELECTRICITY DISTRIBUTION RATE APPLICATION CNPI
PORT COLBORNE (EB-2009-0215)**

On November 18, 2009, CNPI – Port Colborne filed a letter requesting that the current distribution rates for CNPI Port Colborne be made interim, effective immediately.

The Board issued a Notice of Application on November 23, 2009 and the matter of the arithmetical error, leading to the request for interim rates, is addressed in that Notice of Application. CNPI – Port Colborne requests that its letter of November 18, 2009 related to this matter be withdrawn.

Yours truly,

Doug Bradbury
