**Re: Distribution Rate Application Board File No EB-2009-0219 – Disposition of Group 1 Accounts - Chapleau Public Utilities Corporation.**

Dear Ms. Walli;

Chapleau Public Utilities Corporation wishes to raise a “Motion to Vary” your decision in our rate application Board File No EB-2009-0219.

In our reply submission to Board staff submission we did not address the issue of the disposition of Group 1 accounts over one year.

By not addressing the one year and not advising the Board that one year would be harmful to Chapleau due to the disposition of;

- a) the Interim Deferral accounts of \$55,197 in the final year of the 3 year disposition period commencing May, 1, 2010, and
- b) The new disposition of group 1 accounts of \$58,856 during the same period of one year, for a total of \$114,013, would compromise Chapleau PUC’s cash flow.

Chapleau PUC will be preparing its’ COS Rates (rebasing) for May 1, 2011 (previous Rebasing in 2008) will have no concerns with respect to the disposition of the group 1 accounts over a 4 year period.

We acknowledge our oversight in addressing the above statement in our application and request that the Board reconsider the decision.

This letter is being filed on behalf of Chapleau Public Utilities Corporation.

Sincerely,
