Dear Ms. Walli:

**Re: Interrogatory Responses  
2010 Electricity Distribution Rates  
Renfrew Hydro Inc. ("RHI")  
Board File no. EB-2009-0146**

In accordance with Procedural Order no. 1, please find attached RHI's responses to the interrogatories received from Board Staff and the Vulnerable Energy Consumers Coalition ("VECC"). RHI has also made electronic submissions of four model files, in response to Question #1 from Board Staff.

In addition, RHI has noticed that its original rate model file, submitted electronically when the rate application was filed, could not be opened due to an expired software license. RHI has rectified the problem and has resubmitted the file, named *RateMaker.RHI.2010EDR.InitialAppl.xls*, as certain data in this model is referenced in RHI's interrogatory responses.

Yours Truly,
