Dear Mr. Bradbury:

**Re: Multi-year Electricity Distribution Rate Setting Plan
2011 Electricity Distribution Rates - EB-2010-0069, EB-2010-0070 and EB-
2010-0071**

The Board is in receipt of your letter dated August 31, 2010.

In a previous letter dated May 28, 2010, you indicated CNPI's intention to file a cost of service application for 2011 rates, two years in advance of CNPI's next regularly scheduled cost of service application for CNPI - Port Colborne, CNPI - Fort Erie and CNPI - Eastern Ontario Power. Your letter dated August 31, 2010 indicated that CNPI has decided that it will file 3rd generation incentive regulation rate applications for distribution rates effective May 1, 2011 for the above noted service areas.

The Board will expect CNPI to adhere to the process for 2011 incentive regulation distribution rate applications as may be determined by the Board.

Yours truly,
