CUSTOMER RECEIPT REÇU DU CLIENT

Dear Ms. Walli,

We as residents/taxpayers of Grey Highlands would like to resent the following comments/concerns for consideration in the File # EB-2010-0235 hearing. This hearing involves the Municipality of Grey Highlands and Plateau Wind Inc. We are residents living along/close to the proposed transmission lines.

Our concerns are set out in the following pages.

Responses from homes 1 -> 20 were sent by registered mail on Thurs. Sept. 23/10 (see below).

REGISTERED
Fragile and perishable articles are not indemnified against damage. Indemnity and fees information is available on request at your postal outlet.

RECOMMANDÉ
Aucune indemnité ne sera versée pour l'avarie d'un objet fragile ou périssable. Des renseignements sur les indemnités et les droits sont disponibles à votre comptoir postal.

Instructions
1) Complete any declared value on receipt, tear on perforated line, date stamp on reverse and give receipt to customer.
2) Remove label from backing (except area marked X) and apply the label to front of item adjacent to address.

Instructions
1) Indiquez le valeur déclarée dans la section Régu. Géchez le long du pointillé, apposez le timbre à date au verso et remettez le reçu au client.
2) Décollez la pollicette protectrice (sauf la partie marquée d'un X) de l'étiquette. Apposez l'étiquette sur le dessus de l'envoi, près de l'adresse.

Apply label here / Veuillez placer l'étiquette ici

ACCEPTING LOCATION / LIEU D'ACCEPTATION
2010-09-23

The responses of 7 more homes are being faxed today. (Monday Sept 27/10). The original page will be sent by registered mail today also. Do hope that this is acceptable and does not cause any great inconvenience. Pat Foster

Final Summary of Plateau Residents Responses regarding transmission lines:

Total 1a: $\frac{24}{27}$ Total 1b: $\frac{24}{27}$ 3 homes received a copy of the Application (package)

1. Plateau Wind Inc. was directed by Ontario Energy Board as follows:

"To immediately serve a copy of the Notice of Application along with the location map and a copy of the Application, either personally, by courier, or by registered mail on:"

"d. All directly affected landowners as well as encumbrancers and encumbrancees."

1a. We did not receive "a copy of the Application."

1b. We did not receive "Notice of Application along with the location map and a copy of the

Application." (Five homes assume that they received a Notice of the Application plus the map) they could not be located (map) Notice of Application

Total 2: $\frac{28}{31}$

2. The visual impact of the transmission lines on our beautiful natural landscapes

Total 3: $\frac{28}{31}$

3. The loss of potential resale value/duration on market because of the transmission lines.

Total 4: $\frac{29}{31}$

4. The potential ice up of lines and the danger of impact due to ice throw from the turbine blades.

Total 5: $\frac{28}{31}$

5. Lightening storms. We have some significant storms.

Total 6a: $\frac{26}{31}$ Total 6b: $\frac{27}{31}$

6. Health concerns:

a. The potential cross contamination of high-frequency electrical pollution on the wiring.

b. Stray voltage

Total 7: $\frac{30}{31}$

7. The social fabric of our community is being affected.

Total 8: $\frac{30}{31}$

8. (Bill 150) "The Provincial Government has taken away the ability of Municipalities to determine for themselves if they want to allow windpower development; creating a powerless tier of government, the one closest to those affected."

31 residents responded (27 homes)
16 homes are located along the transmission line.
11 " " " " near " " "

Mennonite families were not contacted

Leaseholders were not contacted

Concerns have not been substantially mitigated.

EB -2010-0235 Plateau Residents

Our concerns are as follows:

1. Plateau Wind Inc. was directed by Ontario Energy Board as follows:
"To immediately serve a copy of the Notice of Application along with the location map and a copy of the Application, either personally, by courier, or by registered mail on:"

"d. All directly affected landowners as well as encumbrancers and encumbrancees."
 - 1a. We did not receive "a copy of the Application."
 - 1b. We did not receive "Notice of Application along with the location map and a copy of the Application."
2. The visual impact of the transmission lines on our beautiful natural landscapes
3. The loss of potential resale value/duration on market because of the transmission lines.
4. The potential ice up of lines and the danger of impact due to ice throw from the turbine blades.
5. Lightening storms. We have some significant storms.
6. Health concerns:
 - a. The potential cross contamination of high-frequency electrical pollution on the wiring.
 - b. Stray voltage
7. The social fabric of our community is being affected.
8. (Bill150) "The Provincial Government has taken away the ability of Municipalities to determine for themselves if they want to allow windpower development; creating a powerless tier of government, the one closest to those affected."
