Dear Ms Walli:

**Re: Board File Number: EB-2010-0131
Horizon Utilities Corporation ("Horizon")**

We are counsel to the Consumers Council of Canada (the "CCC").

By this letter we are requesting that our client be made an intervenor in the application of Horizon for approval for changes to the rates that it charges for electricity distribution, to be effective January 1, 2011.

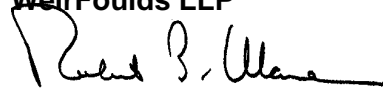

The CCC represents the interests of the broad array of residential consumers of electricity within the service territory of Horizon. The granting of the application will have an impact on the rates paid by those residential consumers. The CCC is a public-interest, non-profit entity which has no revenues of its own to support its intervention. The CCC will, therefore, seek an award of costs at the end of the proceeding.

We would appreciate your having all materials with respect to the proceeding delivered the writer, and to Julie Girvan, the CCC's consultant. Ms. Girvan's contact information is: 2 Penrose Road, Toronto, ON M4S 1P1, telephone: (416) 322-7936, fax: (416) 322-9703, e-mail: jgirvan@ca.inter.net.

We apologize for the late filing of this request. Mr. Sidlofsky, counsel to Horizon, has kindly agreed not to object to our client's late intervention.

Yours very truly,

WeirFoulds LLP
