Dear Ms. Walli:

**Re: Pollution Probe – Issues List Submissions and Intervenor List Addition
EB-2010-0142 – Toronto Hydro – 2011 Rates**

Pursuant to *Procedural Order No. 1*, we are writing to provide Pollution Probe's submissions on the draft issues list for this proceeding.

In short, Pollution Probe is satisfied with and accepts the draft issues list as proposed. Further, Pollution Probe submits that an oral hearing should be held with respect to Issues 1.1, 4.1, 4.2, 6.1, 7.4, 7.6, 9.1, 9.2, and 9.3 given the nature of these issues.

Pollution Probe also notes that Murray Klippenstein appears to have been inadvertently left off the intervenor list for this matter. We respectfully request that he be added to the intervenor list on behalf of Pollution Probe at the law firm address above, and his email address is murray.klippenstein@klippensteins.ca.

Please do not hesitate to contact the undersigned if you wish to discuss these matters further.

Yours truly,

Basil Alexander
