

1 **UNDERTAKING J3.12**

2
3 **Undertaking**

4
5 To provide information on those initiatives that are going to generate some planned cost
6 savings for the planning period that require CNSC approval and the dollars attached.
7

8
9 **Response**

10
11 The only initiative that requires CNSC approval is Days Base Maintenance (Ex. F2-T1-
12 S1, Attachment 1, page 33). The OM&A savings associated with this initiative in the test
13 period is \$5.2M (Ex. L-1-45).
