**Re: Ontario Power Generation Inc.
2011-2012 Payment Amounts for Prescribed Generation Facilities
Board File Number EB-2010-0008**

OPG filed the response to undertaking J10.1 on November 18, 2010. The response consists of the 2010-2014 Business Plan Financial Overview and the 2010-2014 Business Plan Financial Outlook. OPG has filed a version of the response for the public record and a confidential version. OPG has requested that certain redactions in the confidential response to the undertaking be retained. OPG provided the Board with a fully unredacted version of the documents with its request.

The Board has compared the confidential version of the response with the fully unredacted version. The Board is satisfied that the redactions in the confidential version relate to the unregulated business, in whole or in part.

The Board is returning the fully unredacted documents to OPG with this correspondence.

Yours truly,
