**Re: Ontario Power Generation Inc.
2011-2012 Payment Amounts for Prescribed Generation Facilities
Board File Number EB-2010-0008**

On November 19, 2010, OPG requested confidential treatment for the response to undertakings JX2.4, J3.5, J4.8, J4.9, J4.11, J4.12, J5.1, J5.4, J5.5, J5.6, J5.7, J5.10, J5.13, J6.1, J10.1 and J10.8. As an interim measure, OPG filed a redacted version of the undertaking responses for the public record and provided full responses only to those persons who have signed the Declaration and Undertaking that is Appendix D of the Board's *Practice Direction on Confidential Filings*. The confidential response to undertaking J10.1 retained certain redactions, which were addressed separately by the Board.

In Procedural Order No. 13, the Board made provision for submissions on the request for confidential treatment for the sixteen undertaking responses. None were received. These most recent requests for confidentiality are consistent with prior requests for confidentiality that have been granted during the course of this proceeding. Accordingly, the Board finds that it is appropriate to retain the confidential status of the responses to the sixteen undertakings.

Yours truly,
