Our File No. 20100008

Ontario Energy Board
2300 Yonge Street
27th Floor

Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2010-0008 – OPG 2011/12 Payment Amounts

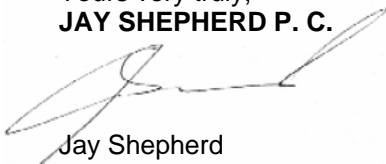

We are counsel for the School Energy Coalition. We have had the opportunity to review the letter from counsel for CME dated today.

SEC is in a similar position to CME. The combination of the complexity and significance of the issues in the OPG case, along with the many other deadlines arising in the next few days, has produced considerable pressure on our ability to draft and finalize Final Argument in this matter by Monday. This is exacerbated by the fact that the oral hearing in Hydro One Brampton also starts on Monday, requiring thorough preparation for cross-examination of witnesses.

We therefore request that the Board grant us a forty-eight hour extension to file Final Argument, to Wednesday, December 8th.

All of which is respectfully submitted.

Yours very truly,
JAY SHEPHERD P. C.
