Dear Ms. Walli:

**Re: Pollution Probe – Certificates of Destruction for AMPCO Disclosure  
EB-2010-0008 – Ontario Power Generation – 2011-12 Payment Amounts**

Pursuant to the Board's letter dated December 20, 2010, please find enclosed four of the five Certificates of Destruction on behalf of Pollution Probe for the confidential material inadvertently disclosed in AMPCO's redacted argument.

With respect to the last certificate, we request a slight indulgence with respect to completing the necessary steps and filing it. Given the holiday season, Mr. Gibbons is currently out of the city without an ability to conduct the required destruction. It is only when he returns to the office on January 3, 2011 that he will be able to complete the necessary steps and then be in a position to execute the certificate. We are thus requesting a short corresponding indulgence, and we will endeavour to file the certificate related to Mr. Gibbons early in the new year.

Yours truly,

Basil Alexander
