Dear Ms. Walli:

Board File No. EB-2010-0131
Horizon Utilities Corporation – 2011 Cost of Service Application
Confidentiality Requests of Applicant

Energy Probe is in receipt of correspondence from James Sidlofsky, Counsel to the Applicant, sent to the Board and dated January 4, 2011, responding in part to my letter to the Board the previous day in which Energy Probe sought direction in respect of certain information in Exhibit 4, Tab 2, Schedule 10, pages 11 and 14.

We apologize for not making our request clearer. Energy Probe does not object to the confidential treatment of the material sought by the Applicant. Rather, Energy Probe is in the process of drafting the interrogatories that are due January 10th and wished to ensure that parties had the confidential information in time to determine if interrogatories are required on that evidence.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
Case Manager
