Re: **Developing Guidance for the Implementation of Smart Grid in Ontario**
Board File No. EB-2011-0004

Dear Ms. Walli,

In response to the Board's request for expressions of interest from individuals willing to participate on the *Smart Grid Working Group*, Cambridge and North Dumfries Hydro Inc. would like to nominate:

Michael Knox
Director, Customer Information Services & Conservation

Mr. Knox has over 30 years of Ontario LDC working experience, including 21 years with Toronto Hydro and 3 years with Westario Power prior to joining Cambridge and North Dumfries Hydro. Mr. Knox led Cambridge and North Dumfries Hydro's Smart Meter project and participated on industry Working Groups that tested and evaluated Smart Metering technologies leading to group procurements for same. Most recently, Mr. Knox has participated on the OPA/EDA *Residential and Small Commercial Demand Response Working Group* which recently conducted a pilot installation of Residential Demand Response technologies from three separate vendors.

Yours truly,

CAMBRIDGE AND NORTH DUMFRIES HYDRO INC.
