**Attn: Kirsten Walli, Board Secretary**

Dear Ms. Walli:

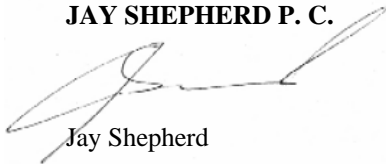

**Re: EB-2010-0131 – Horizon – Confidential Technical Conference Questions**

We are counsel for the School Energy Coalition. We enclose with this letter Technical Conference Questions for the Applicant based on the confidential responses to CCC #8. We have no prepared questions on the non-confidential documents. A copy of this letter, without the attachment, has been provided to all parties. The letter with attachment has been delivered to the Board, to the attention of Mr. Ritchie, and to counsel to the Applicant, Mr. Sidlofsky. We would ask that all parties that are allowed to have copies be provided with them by the Board, and that Mr. Sidlofsky provide a copy of the questions to his client.

We note that we have marked the questions as provisionally confidential. We have been unable to identify any information in the questions that cannot be put on the public record, but assume that during the process of redacting the Technical Conference transcript the parties and the Board can sort out if any of the contents need to remain confidential.

All of which is respectfully submitted.

Yours very truly,  
**JAY SHEPHERD P. C.**
