March 15, 2011

Delivered by E-mail and Courier

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, Ontario M4P 1E4

Dear Ms. Walli:

**Re: EB-2010-0131
Horizon Utilities Corporation
Application to the Ontario Energy Board for Electricity Distribution
Rates and Charges as of January 1, 2011**

We are counsel to Horizon Utilities Corporation (“Horizon Utilities”) in the above captioned matter. Further to our correspondence of yesterday’s date, please find accompanying this letter a list of Schedules to Horizon Utilities’ evidence that were amended by the material filed through the Board’s RESS system yesterday. As noted in yesterday’s letter, the changes to Horizon Utilities’ evidence are minimal. It has only updated the load forecast for its Large Use customers and corrected the billing determinants. While these two changes affect various Schedules of Horizon Utilities’ Application, those changes are simply collateral to the revision to the load forecast.

As discussed in yesterday’s letter, the new Table 3-24A of Exhibit 3, Tab 2, Schedule 2 of the Application and the public “pdf” version of Horizon Utilities’ updated Load Forecast model (Exhibit 3, Tab 2, Schedule 2, Appendix 3-2) have been redacted, as they contain customer-specific information. An unredacted version of Table 3-24A and a “live” unredacted Excel version of the updated model will be provided to the Board and those individuals that have executed the Board’s form of Declaration and Undertaking with respect to Confidentiality pursuant to the Board’s *Practice Direction on Confidential Filings*. We ask that the live version of the model not be placed on the Board’s web site.

Should you have any questions or require further information, please do not hesitate to contact me.

Yours very truly,
BORDEN LADNER GERVAIS LLP
