Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
Suite 2700, 2300 Yonge Street  
P.O. Box 2319  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: EB-2010-0142-THESL Draft Rate Order**

---

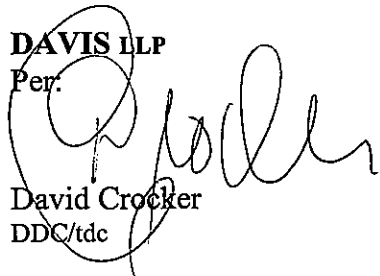

We are counsel to the Association of Major Power Consumers in Ontario (AMPCO) and are writing to comment on the draft rate order in the above noted matter.

AMPCO does not have any concerns with respect to the calculation of the revenue requirement or any of the revenue-to-cost ratios proposed. In particular, AMPCO supports reducing the Large User revenue-to-cost ratio so that it falls within the Board guidelines. AMPCO would, of course, argue that the revenue-to-cost ratio should be moved even closer to unity.

Yours truly,

**DAVIS LLP**
