Dear Ms. Walli;

On July 7, 2011, the Ontario Energy Board (the "Board") issued its Decision and Order in the above-captioned proceeding. The Decision and Order provided that "Intervenors shall file any comments on the draft Rate Order with the Board and forward them to Horizon Utilities Corporation within 7 days of the date of filing of the draft Rate Order"; and that "Horizon Utilities Corporation shall file with the Board and forward to intervenors, responses to any comments on its draft Rate Order within 3 days of the date of receipt of submissions."

Horizon Utilities delivered its draft Rate Order on Monday, July 18, 2011. To date, Horizon Utilities has received comments from Energy Probe (during the evening of July 20, 2011), the School Energy Coalition (July 21, 2011), VECC (July 21, 2011) and Board Staff (July 25, 2011). No comments have been received from CCC or AMPCO at this time.

In keeping with the provisions of the Decision and Order, Horizon Utilities anticipates delivering its responses to the Board staff and intervenor comments by Thursday, July 28, 2011.

Yours Truly,
