Kirsten Walli, Board Secretary  
Ontario Energy Board  
Suite 2701-2300 Yonge Street  
Toronto ON M4P 1E4

Dear Ms Walli:

**Re: EB-2011-0283/Union Gas Limited/Renewable Natural Gas Application**

We are counsel to the Consumers Council of Canada ("CCC"). We have been instructed by our client to intervene in the above-noted application of Union Gas Limited ("Union") for an order approving or fixing rates for the sale of gas that includes the cost consequences of the purchase of renewable natural gas by Union.

The CCC is a public-interest entity which represents the interests of residential consumers of natural gas in Ontario. The granting of the order requested would have an impact on the rates which residential consumers pay for the delivery of natural gas.

The CCC intends to ask for an order of costs, at the conclusion of the proceeding. The CCC represents the interests of residential consumers. The CCC has participated in many of the applications of Union, seeking a variety of orders, over a long period of time. In all of those proceedings, the CCC has been recognized as being eligible for an award of costs.

Copies of all Board notices, and of all evidence, should be sent to the writer, and to the CCC's consultant, Julie Girvan. Ms Girvan's contact information is: 62 Hillside Avenue East Toronto, ON, M4S 1T5, telephone: (416) 322-7936, fax: (416) 322-9703, e-mail: jgirvan@ca.inter.net.

Yours very truly,

**WeirFoulds LLP**
