Dear Ms. Huneault:

**Re: Greater Sudbury Hydro Inc.  
Application for Rates  
Application Board File Number EB-2011-0169**

The Board is in receipt of your 2012 IRM3 rate application and your letter dated September 29, 2011 where you requested an extension of four weeks to file the material supporting the disposition of Account 1562.

The Board will consider your application to be incomplete until such time that the Board will receive the material supporting the disposition of Account 1562. A Notice of Application and Letter of Direction will be issued once the application is complete. If the evidence will not be filed within the expected four week period, the Board expects Greater Sudbury Hydro to notify the Board and provide an explanation for the delay.

Please direct any questions relating to this matter to Stephen Vetsis, Analyst at (416) 544-5182 or e-mail [Stephen.Vetsis@ontarioenergyboard.ca](mailto:Stephen.Vetsis@ontarioenergyboard.ca).

Yours truly,
