Attention: Ms. Kirsten Walli,
Board Secretary

Dear Ms. Walli:

Re: Intervenor Status and Cost Eligibility Request on Behalf of the Building Owners and Managers Association Toronto (BOMA Toronto) for EB-2011-0283: Renewable Natural Gas Program Application, Union Gas Limited

The Building Owners and Managers Association Toronto (BOMA Toronto) seeks intervenor status and cost award eligibility in the above noted proceedings. BOMA Toronto concurs that an oral hearing is required. I apologize for the late intervention.

BOMA Toronto represents over 800 Toronto Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals. Its members account for 80 per cent of all commercial and industrial real estate companies in the Greater Toronto Area. BOMA's members are large consumers of electricity in Toronto and are affected by any changes in Toronto Hydro's rate and terms of services.

Over the years, BOMA Toronto has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA Toronto continues to work at all levels of government providing a voice for Commercial Property owners in Toronto and throughout Ontario.

BOMA has been a major and constructive participant in numerous previous cases. As a representative of a large sector of energy consumers in Toronto, the commercial and industrial building owners and generators, BOMA seeks a cost award in this proceeding. BOMA requests that further communications with respect to this matter be sent to the following parties:
