Dear Mr. Buonaguro:

**Re: Brant County Power Inc. (“Brant County Power”)
2012 Incentive Regulation Mechanism Rate Application
Board File Number EB-2011-0154
Notice of Intervention of the Vulnerable Energy Consumers Coalition
(“VECC”)**

The Board confirms VECC as an intervenor in the above noted proceeding, subject to Brant County Power’s right of reply to your request within 14 calendar days from the filing of your notice of intervention.

The Board has determined that VECC is eligible to apply for an award of costs under its *Practice Direction on Cost Awards* (the “Practice Direction”) in relation to Brant County Power’s proposal for lost revenue adjustment mechanism (“LRAM”) recovery.

With respect to the disposition of account 1562, no decision on cost awards is required as this issue will not be heard as part of this IRM application.

The Practice Direction and related forms are available on the Board’s website at www.ontarioenergyboard.ca.

Yours truly,
