Attention: Ms. K. Walli
Board Secretary

Dear Ms. Walli:

Re: EB-2011-0140 - East West Tie Designation Process

Please be advised that I have been retained by Great Lakes Power Transmission LP ("GLPT"). In particular, I am acting as independent counsel to Gary Gazankas, Manager of Transmission System Planning, and his team in relation to any enquiries or information requests made in connection with the East-West Tie designation process or a Designation Participant's proposed project.

GLPT will do what is necessary, in addition to following the protocols outlined in Mr. Gazankas' letter to the Board of January 9, 2012, to facilitate a fair designation process. I look forward to liaising with the Board and the Designation Participants regarding any protocols and rules required for this purpose.

Yours very truly,

DAVIS LLP
